

Hello,

We are Craig and Anna, and have two daughters, Mabel aged 7, and Bessie aged 5. Craig's Mum and Dad (Mary and Geoff) used to live in Parcent and we were frequent visitors. But now they have moved back to England we don't come out anymore, and we really miss the valley.

Because we have a young family we are skint, so we were wondering if anybody would be interested in a house swap. We have a three bedroom house in central Oxford. Because it is a busy family home it is a bit scruffy (we prefer the word 'cosy') but it has everything you could need and is five minutes walk to the river Thames and fifteen minutes walk to the centre of Oxford. Or you can pick up one of the frequent busses from the end of the road and get into Oxford in about three minutes. You are also about two minutes drive from the ring-road, an hour from London on the train, forty minutes from the Cotswolds.

It is a Victorian terrace with a nice little South-facing back garden. here is a double bed in the main bedroom and two kid's singles in the second bedroom, and an adult single in the spare bedroom. There is also a spare double mattress which can go in the playroom for hardy guests to sleep on, and another kids' mattress to go on the floor wherever. So you can sleep five adults and three kids if you have to, although three adults and two kids is easier.

We have a reliable family car and would also consider a car swap if anybody was interested. We are not fussy people and would just like a place to stay, ideally in Parcent, but we would certainly consider the surrounding villages. We would consider anytime of year in the school holidays, even Xmas. If in summer, earlier would be better for us, as our kids would wilt in a mid-August sun.

Here are our school holiday dates:

Christmas holiday 17 December 2016 - 3 January 2017

February half term 11 February 2017- 19 February 2017

Easter holidays 6 April 2017 - 23 April 2017

May half term 27 May 2017 - 4 June 2017

Summer holidays starts 21 July 2017

So drop us a line if you are interested and we can talk. And in case you miss Spain while you are in Oxford, we have a photo of Parcent Cooperativa above the piano in our lounge.

Thanks for reading.

Craig
